A Letter from the Treasure

As we go into the off season here in South Florida a dollar in the basket is just not realistic anymore to cover the cost Intergroup. I will leave you with this quote on being self supporting and money. "When we meet and defeat the temptation to take large gifts, we are only being prudent. But when we are generous with the hat we give a token that we are grateful for our blessings and evidence that we are eager to share what we have found with all those who still suffer.(pg. 221 Language of Heart). Please give if you can so we can help carry the message.
