A Message from the Special Needs Committee...

While there are no special A.A. members, some members have special needs. This refers to persons who are blind or visually impaired; deaf or hard of hearing; chronically ill or homebound; those who are developmentally disabled and many others who many have less visible challenges. The Special Needs Committee is available and offers resources to make the A.A. message and participation in our program available to everyone who reaches out for it. For more information, please contact the Special Needs Committee at

Steps Traditions Concepts

Step 6: Were entirely ready to have God remove all these defects of character.

Tradition 6: An AA group ought never endorse, finance or lend the AA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

1. Should my fellow group members and I go out and raise money to endow several AA beds in our local hospital??
2. Is it good for a group to lease a small building?
3. Are all the officers and members of our local club for AAs familiar with "Guidelines on Clubs" (which is available free from GSO)?
4. Should the secretary of our group serve on the mayor' advisory committee on alcoholism?

Concept 6: The conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

1. Are we familiar with how our General Service Board (G.S.B.) Class A and Class B trustees serve A.A.? Are we familiar with how our other trusted servants serve A.A.??
2. Are we clea about the terms "chief initiative" and "active responsibility"? Can we see a direct link to our home group?
