Only the self-deceived will claim perfect freedom from fear.

A Message from the Special Needs Committee...

While there are no special A.A. members, some members have special needs. This refers to persons who are blind or visually impaired; deaf or hard of hearing; chronically ill or homebound; those who are developmentally disabled and many others who many have less visible challenges. The Special Needs Committee is available and offers resources to make the A.A. message and participation in our program available to everyone who reaches out for it. For more information, please contact the Special Needs Committee at

Steps Traditions Concepts

Step 8: Made a list of all persons we had harmed, and became willing to make amends to them all.

Tradition 8: Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

1. Is my own behavior accurately described by the Traditions? If not, what needs changing?
2. When I chafe about any particular Tradition, so I realize how it affects others?
3. Do I sometimes try to get *some* reward—even if not money—for my personal AA efforts?
4. Do I try to sound in AA like an expert on alcoholism? On recovery? On medicine? On sociology? On AA itself? On psychology? On spiritual matters? Or, heaven help me, even on *humility*?

Concept 8: The trustees are the principal planners and administrators of the overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities..

1. Do we understand the relationship between the two corporate service entities (A.A. World Services, Inc. and A.A. Grapevine, Inc.) and the General Service Board?
2. How can the business term “custodial oversight” apply to the trustees’ relationship to the two corporate service entities?
