A Message from the Special Needs Committee...

While there are no special A.A. members, some members have special needs. This refers to persons who are blind or visually impaired; deaf or hard of hearing; chronically ill or homebound; those who are developmentally disabled and many others who many have less visible challenges. The Special Needs Committee is available and offers resources to make the A.A. message and participation in our program available to everyone who reaches out for it. For more information, please contact the Special Needs Committee at

Steps Traditions Concepts

Step 9: Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition 9: Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

1. Do I still try to boss things in AA?
2. Do I resist formal aspects of AA because I fear them as authoritative?
3. Am I mature enough to understand and use all elements of the AA program—even if no one makes me do so—with a sense of personal responsibility?
4. Do I exercise patience and humility in any AA job I take?
5. Am I aware of all those to whom I am responsible in any AA job?

Concept 9: Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

1. Do we discuss how we can best strengthen the composition and leadership of our future trusted servants?
2. Do we recognize the need for group officers? What is our criteria for election? Do we sometimes give a position to someone “because it would be good for them??
3. Do I set a positive leadership example?
