A Message from the Special Needs Committee...

While there are no special A.A. members, some members have special needs. This refers to persons who are blind or visually impaired; deaf or hard of hearing; chronically ill or homebound; those who are developmentally disabled and many others who many have less visible challenges. The Special Needs Committee is available and offers resources to make the A.A. message and participation in our program available to everyone who reaches out for it. For more information, please contact the Special Needs Committee at

Steps • Traditions • Concepts

Step 4: Made a searching and fearless moral inventory of ourselves.

Tradition 4: Each group should be autonomous except in matters affecting other groups or AA as a whole.

1. Do I insist that there are only a few right ways of doing things in AA?
2. Does my group always consider the welfare of the rest of AA? Of nearby groups? Of Loners in Alaska? Of Internationalists miles from port? Of a group in Rome or El Salvador?
3. Do I put down other members' behavior when it is different from mine, or do I learn from it??
4. Do I always bear in mind that, to those outsiders who know I am in AA, I may to some extent represent our entire beloved Fellowship?
5. Am I willing to help a newcomer go to any lengths—his lengths, not mine—to stay sober?

Concept 4: At all responsible levels, we ought to maintain a traditional “Right of Participation,” allowing a voting representation in reasonable proportion to the responsibility that each must discharge.

1. Do we understand the spiritual principles underlying the “Right of Participation”?
2. What does “in reasonable proportion” mean? Do we understand when it is appropriate for A.A. paid staff to have a vote at the General Service Conference or in our local service structure?
