Step 10

Continued to take personal inventory and when we were wrong promptly admitted it.

Tradition 10

Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy.

1. Do I ever give the impression that there really is an "AA opinion" on Antabuse? Tranquilizers? Doctors? Psychiatrists? Churches? Hospitals? Jails? Alcohol? The federal or state government? Legalizing marijuana? Vitamins? Al-Anon? Alateen?
2. Can I honestly share my own personal experience concerning any of those without giving the impression I am stating the "AA opinion"?
3. What in AA history gave rise to our Tenth Tradition?
4. Have I had a similar experience in my own AA life?
5. What would AA be without this Tradition? Where would I be?
6. Do I breach this or any of its supporting Traditions in subtle, perhaps unconscious, ways?

Concept 10

Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

1. Do we understand "authority" and "responsibility" as they relate to group conscience decisions by G.S.R.s, D.C.M.s and our area delegates?
2. Why is delegation of "authority" so important to the overall effectiveness of A.A.? Do we use this concept to define the scope of "authority?"

Celebrate your years of recovery by giving a little something back! You will receive a Bill & Bob medallion, birthday flyer, and your name printed in the TODAY.*
